The Hank Shreve Band won the 2016, 2014, and 2013 Muddy Award for Best Regional Act, following their Best New Act Muddy in 2012. With Rocking Blues and soulful originals the band members include:

Hank Shreve on vocals , harmonica, keyboards, lapsteel, dobro, guitar, and drums.

Bill Shreve on bass and vocals, Ken Luker on guitar and vocals, and Tim Donahue on drums.

**THAT WAY** is the Hank Shreve Band's 4th studio release. Hank and the band stay true to their blues roots, but also pay homage to their love of Jazz and New Orleans music.

**THAT WAY** features new original music, plenty of harmonica, and a few cleverly, tastefully, arranged covers.

“Hank Shreve has been a regular feature at the Waterfront Blues Festival since he was in his teens...as a fetured soloist with Bill Rhoades’ annual Harmonica Blow-off, then Kim Field’s Harmonica Blow-off, and with the Paul deLay Tribute. There’s no harmonica player on the planet that has as nuanced an understading of deLay’s harmonica work, and no one has ever come closer to recreating that tone and phrasing. Though a brilliant harmonica player, Hank is equally stunning on piano and lap steel...”
